

DERMOZOIL®

RINSING DETERGENT

**Deep and soft cleansing
of skin and mucous membranes
In case of
Skin Reactivity, Xerosis, Itching,
Irritation, Sebaceous Imbalance**

with

OZOILE®
ERBAGIL PATENT
Stable Ozonides

DERMOZOIL® RINSING DETERGENT with Ozoile® is an innovative formulation for an effective and delicate cleansing with enhanced sanitizing action, ideal for all age groups. Free of SLS and SLES, aggressive and potentially irritating surfactants, Dermoziol® rinsing detergent contains Decyl Glucoside, a non-aggressive surfactant with low delipidizing power and highly biocompatible that guarantees respect for the hydrolipidic film and the protective barrier function of the skin. The combination of Ozoile® and Melaleuca creates an unfavorable environment for the alterations of the microbiota. Constant use of the product counteracts the onset of all those annoying sensations, often linked to affections dermatological and characterized by skin reactivity, xerosis, itching, irritation, sebaceous imbalance.

MAIN COMPONENTS:

Ozoile® (Stable Ozonides), Decyl Glucoside, Melaleuca Alternifolia Leaf Oil.

OZOILE®

Acts on irritative and itchy status and it creates an unfavorable environment to the microbiota alterations. It acts against redness, itching, burning, swelling and degenerative processes in progress. It brings oxygen in situ and restores the hydrolipidic protective film.

MELALEUCA ALTERNIFOLIA

Enhances the action of Ozoile®.

DECYL GLUCOSIDE

Soft and widely compatible with skin surfactant, lowly delipidising, for a deep and a soft sanitizing action.

INDICATIONS

It can be used for daily cleansing. For deep and soft cleansing of skin, mucosa and scalp, characterized by irritation, itching, redness, xerosis, sebaceous imbalance, cutaneous reactivity and for treatment and prevention of all annoying sensations connected to dermatological problems. It is ideal for treatment of skin and mucosa membranes of babies, children, adult, elderly people. Particularly suitable for a frequent washing.

HOW TO USE

Use Dermoziol® rinsing detergent instead of common detergents. Apply on the wet skin and mucosa, massaging until it forms a light foam, then rinse.

WARNINGS

Do not ingest. Keep the product out of the reach of children. Do not use the device beyond the expiration date. Do not use in case of damaged packaging. Avoid contact with eyes, in case of accidental contact rinse thoroughly with water. There are no known cases of sensitization and side effects to date. Do not use in case of known hypersensitivity toward the product or some of its components; if this phenomenon should occur it is recommended to suspend the treatment and consult your physician. Close the bottle carefully after use. Store in a dry place, away from heat sources and from direct sunlight. The expiry date refers to the intact and correctly stored product. After opening it is recommended to use the product within 6 months.

PACKAGING

Bottle 150 ml - 5.07 fl. Oz.

NO SLS and SLES - NO ALLERGENS

NO COLOURS - GLUTEN FREE

DERMOZOIL®

ČISTILNO SREDSTVO ZA SPIRANJE

Globinsko in nežno čiščenje

kože in sluznic

V primeru

reaktivnosti kože, kseroze, srbenja, draženja, neravnovesja lojnic

z

OZOILE®

ERBAGIL PATENT

Stabilni Ozonidi

DERMOZOIL® ČISTILNO SREDSTVO ZA SPIRANJE s sestavino Ozoile® je inovativna formula za učinkovito in nežno čiščenje z izboljšanim razkužilnim delovanjem, idealna za vse starostne skupine. Brez SLS in SLES, agresivnih in potencialno dražilnih površinsko aktivnih snovi. Čistilno sredstvo za spiranje Dermo-
zoil® vsebuje decil glukozid, neagresivno površinsko aktivno snov z nizko močjo razmaščevanja in visoko biokompatibilnostjo, ki ohranja hidrolipidni film in zaščitno pregradno funkcijo kože. Kombinacija sestavin Ozoile® in Melaleuca Alternifolia (čajevca) ustvarja neugodno okolje za spremembe mikrobiote. Stalna uporaba izdelka preprečuje nastanek vseh neprijetnih občutkov, ki so pogosto povezani z dermatološkimi težavami in se kažejo kot reaktivnost kože, kseroza, srbenje, draženje ali neravnovesje lojnic.

GLAVNE SESTAVINE:

Ozoile® (stabilni ozonidi), Decil glukozid, olje iz listov Melaleuca Alternifolia (čajevca).

OZOILE®

Deluje na dražeče in srbeče stanje ter ustvarja neugodno okolje za spremembe mikrobiote. Deluje proti oteklini in razvoju degenerativnih procesov. Mesto oskrbi s kisikom in obnavlja hidrolipidni zaščitni film.

MELALEUCA ALTERNIFOLIA

Izboljša delovanje sestavine Ozoile®.

DECIL GLUKOZID

Nežen in široko združljiv s kožnimi površinsko aktivnimi snovmi, rahlo razmaščuje za globinsko in nežno razkuževalno delovanje.

INDIKACIJE:

Lahko se uporablja za vsakodnevno čiščenje. Za globinsko in nežno čiščenje kože, sluznice in lasišča z znaki razdraženosti, srbenja, rdečice, kseroze, neravnovesja lojnic ali kožne reaktivnosti, ter za zdravljenje in preprečevanje vseh neprijetnih občutkov, povezanih z dermatološkimi težavami. Idealno je za zdravljenje kože in sluznice dojenčkov, otrok, odraslih in starostnikov. Posebej je primeren za pogosto umivanje.

KAKO SE UPORABLJA:

Čistilno sredstvo za spiranje Dermo-
zoil® uporabljajte namesto navadnih čistilnih sredstev. Nanesite na moko kožo in sluznico, masirajte, dokler se ne speni, in nato sperite.

OPOZORILA:

Ne zaužijte. Izdelek shranjujte izven dosega otrok. Pripomočka ne uporabljajte po datumu izteka roka uporabnosti. Ne uporabljajte v primeru poškodovane embalaže. Izogibajte se stiku z očmi. V primeru nenamernega stika temeljito sperite z vodo. Zaenkrat ni znanih primerov preobčutljivosti in stranskih učinkov. Ne uporabljajte v primeru znane preobčutljivosti na izdelek ali posamezne njegove sestavine. Če se pojavi, je priporočljivo prekiniti zdravljenje in se posvetovati z zdravnikom. Po uporabi skrbno zaprite stekleničko. Shranjujte na suhem mestu, stran od virov toplote in neposredne sončne svetlobe. Rok uporabnosti se nanaša na nedotaknjen in pravilno shranjen izdelek. Priporočljivo je, da po odprtju izdelek porabite v 6 mesecih.

PAKIRANJE

Steklenička 150 ml (5,07 fl. oz.)

BREZ SLS in SLES - BREZ ALERGENOV

BREZ BARVIL - BREZ GLUTENA

DERMATOLOŠKO PRESKUŠENO
